By facilitating and participating in activities and events, Ambassadors create a fun, information-sharing environment, fostering solidification and expansion of the Chamber membership base.

Committee Chairs report on their committee activities at the Ambassador Meeting and at Good Morning Everett.

The Ambassadors are a committee of the not-for-profit Everett Area Chamber of Commerce. Proceeds from activities and events, other than ECEAP, go to fund the programs of the Chamber. The Ambassador program budget is funded by the Everett Area Chamber of Commerce.

To become a member of the Ambassadors, a person representing a member company must attend three consecutive Ambassador Meetings, and complete the Ambassador Program Application.

More details are available in the Ambassador Handbook. (The Ambassador Handbook is a work in progress which will continue to change as the Ambassador Program evolves.)
